Highlights

User-friendly protective cap
Never lose your cap again! The protective cap is integrated into the product design, so it will always stay attached to the USB stick. To bring it into use, you only have to turn the cap backwards, plug the stick in and play.

Fast data transfer
High-speed data transfer rates significantly cut annoying waiting time when you are copying large multimedia files to or from your computer's hard disk.

Easy opening experience
The markings and perforations on the packaging show you the best way to open your packaging and get quick access to your USB stick without hassle.
