# The smart combination of light and design

Philips SmartSpot offers a smart lighting solution that complements the look of your home interior with fine design. The spot lights provide warm light in a range of minimalist recessed designs that blend seamlessly into any interior.

## Benefits

### Your home under the spot light

- Brilliant high quality light
- Adjustable light intensity with dimmer switch
- Fabulous flexibility

### Sleek designed recessed spots

- Premium material, built to last
- Sleek and discreet designs
- Spot lighting designed for your interior

### Sustainable light solutions

- Ultra long lamp life
- Saves up to 40% energy

## Features

### Brilliant high quality light

Philips halogen lamps offer brilliant light to highlight features or create a nice ambiance in your room. The light shines in a beam angle of 40° which is perfect for general lighting.

PHILIPS

### Dimmable

Adjust the light intensity of this Philips light with a dimmer switch (not included).This makes this light ideal for highlighting a feature or creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room.

### Fabulous flexibility

Philips SmartSpot is an advanced light source that puts you in full control of your home lighting. Many pieces rotate freely, allowing you to direct the light to where you need it most.

### Premium material

Philips SmartSpot lighting fixtures are constructed from high quality materials like die-cast aluminium.

### Sleek and discreet designs

These modern lamps with recessed styles are sleek and discreet, and fit perfectly into ceilings with no jutting edges or awkward shapes to distract from the décor of your room.

### Smart lighting solution

if you're after superb light quality and a smart lighting solution that complements the look of your home interior with fine design, try Philips SmartSpot spot lights. It provides a functional range of minimalist recessed designs that blend seamlessly into any interior.

### Ultra long lamp life

Philips lamp included with an ultra long lamp life, up to 1.000 hours.

### Saves up to 40% energy

This light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.
