Experience warm white LED light

Create a warm, inviting ambiance

Philips LED light bulbs provide a beautiful, warm white light, an exceptionally long life and immediate, significant energy savings.

With a pure and elegant design, this bulb is the perfect replacement for your matted incandescent bulbs

Benefits

Longer lifetime

- 25 times longer than incandescent bulbs.

Simple replacement

- Provides light instantly from the moment you switch it on

Superior light quality

- You can trust what the Philips packaging is saying.

Sustainable choice

- Safe for any room and convenient to recycle

Features

Change bulbs less often

Long and reliable lifespan of up to 25 years, ensuring piece of mind especially for lighting in hard to access areas. Life in years is calculated based on 1000 hours of usage per year, which is about 2.7 hours per day across 365 days.

Instant start

Immediate light when switched on: that is the promise of our instant starting energy-saving lamps.

PHILIPS

No hazardous substances

Halogen lamps contain absolutely no hazardous materials, making them safe for any room and convenient to recycle.

No UV or IR

The beam of light is free of infra-red meaning no heat is radiated, and no ultra-violet light means that fabric and items under this light won¡¯t fade.

Specifications
