

For a skin friendly shave

More skin friendliness and shaving efficiency*

The new Philips S500 shaver with ComfortCut Blade System and Flexwing tech, designed to stay close to your skin and conquer tricky areas, for a comfortable and efficient shave.(*compared with traditional Philips two headed shaver)

A comfortable and efficient shave
- 18 mini-blades, curve-edged shaving head & rounded heads

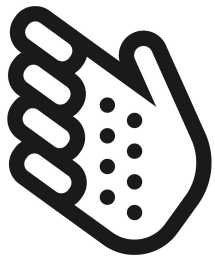
Stay close to your skin
- FlexWing brings you good contour following experience

Less friction and less skin irritation
- Skin Protection System reduces skin friction every pass
- Curve-edged shaving head prevents cutting of the skin
- Rounded profile of heads reduce friction against skin
- The shaver can also be used under shower or with foam

Easy to use
- Anti-slip: ergonomics, streamline design
- Freely rinse under tap water
- LED Charging display on the handle
- 30 mins running time

Highlights

Anti-slip:



Unique carbon fiber frame makes sure the shaver has low weight and is strong, which optimizes handling and suspension.

ComfortCut Blade System

With 18 mini-blades, curve-edged shaving head & rounded profile of heads, glide smoothly across your skin while reduce skin irritation, designed for a comfortable and efficient shave.

Curve-edged shaving head

Curve-edged shaving head: prevents cutting of the skin, resulting in less skin irritation, this is designed for a comfortable shave.

Flexwing Technology

4 directional, 54 degree* flex, designed to stay close to your skin and conquer tricky areas including jawline and neck.

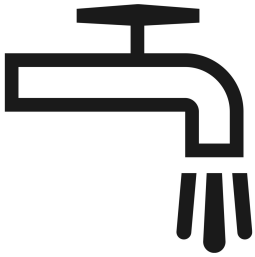
Rounded profile of heads

Rounded profile of heads: reduce friction between skin and shavers significantly, this is designed for a comfortable shave.

Skin Protection System

Low cap exposure and rounded floe to reduce skin friction every pass.

Washable



Freely rinse under tap water.

Charging display

LED Charging display on the handle.

Wet & Dry

The shaver can also be used under shower or with foam.

8-hour charging

You'll have 30+ minutes of running time that's about 9 shaves on a eight-hour charge. This shaver only operates in cordless mode.
