PHILIPS

Dry iron
Linished soleplate 1.8 m cord length, 1000 Iron Watts, 1000 Watts

GC150/41

Highlights

Button groove

Button groove speeds up ironing along buttons and seams.

Comfortable handle

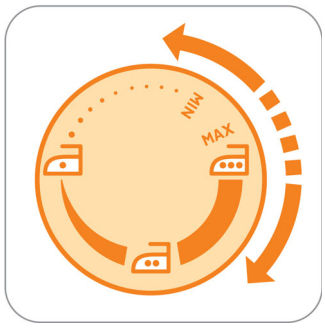

The texturing on the handle of the iron ensures a comfortable and ergonomic grip, so that your hand fits well and does not slip during ironing.

Easy storage

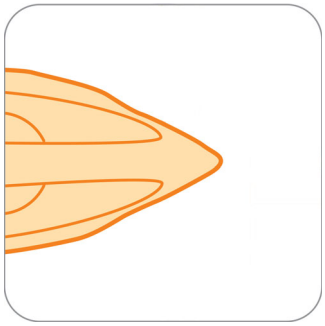

The cord can be wrapped around the heel rest, so that the appliance is easy to store.

Easy temperature control

An elevated temperature control is easy to operate and precise. You will always have the right temperature for your garment.

Slim tip soleplate

The slim tip of the soleplate allows to reach easily in the most tricky areas, such as between the buttons, when making pleats and in the corners.

Temperature light-indicator

Temperature light goes on when the iron is heating up and goes off when the solepalte temperature has reached the set level.
