Highlights

Warm white light

This light uses the very latest lighting technology by Philips with the new warm white state-of-the-art high power LEDs providing a glow of light with a colour temperature of 2700 Kelvin.

High light output

High-quality light with strong light output. The light shines at a beam angle of 40° - the perfect angle for spot lighting.

Dimmable

Adjust the light intensity of the Philips LED lights with a dimmer switch (not included). This makes this light ideal for creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room. Philips tested a number of wall dimmers that have proved to be compliant with our LED lights. A list of compatible dimmers is available in the downloads and support section.

Premium material

Philips SmartSpot lighting fixtures are constructed from high quality materials like die-cast aluminium.

Sleek and discreet designs

These modern lamps with recessed styles are sleek and discreet, and fit perfectly into ceilings with no jutting edges or awkward shapes to distract from the décor of your room.

Extremely long operating life

A light source you can trust. Philips LED lights offer an extremely long life of at least 20.000 hours (which equals 20 years on basis of an average use of 3 hours a day with an amount of at least of 13.000 on/off switching cycles). With the Philips LED lights you won't have to worry about maintenance or lamp replacement while having the perfect light ambience in your home.

Smart lighting solution

if you're after superb light quality and a smart lighting solution that complements the look of your home interior with fine design, try Philips SmartSpot spot lights. It provides a functional range of minimalist recessed designs that blend seamlessly into any interior.

Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.
