Giving light a new experience

This minimalist long neck table lamp features a light that appears to float magically in the air. Designed from the purest of forms, a flat disc of LED light is suspended on top of a slender, flexible neck that arcs down to a slim base.

Elegant design meets innovative technology

- Warm white light effect
- High Power LED
- On/off switch on article
- The perfect beam angle for spot lighting (40°)

Sustainable light solutions

- Extremely long operating life
- Philips offers a 5-year warranty on the LED module and driver
- Saves up to 80% energy

product design award 2012

Highlights

Extremely long operating life

A light source you can trust. Philips LED lights offer an extremely long life of at least 20.000 hours (which equals 20 years on basis of an average use of 3 hours a day with an amount of at least of 13.000 on/off switching cycles). With the Philips LED lights you won't have to worry about maintenance or lamp replacement while having the perfect light ambience in your home.

High Power LED

The LED module of this lamp is a uniquely developed solution by Philips, combining 3 LEDs in a synthetic and aluminium housing. This technique enables an optimal light output and a 100% uniform light colour.

Saves up to 80% energy

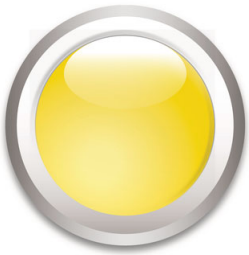

The LED lighting technology used in Philips lighting fixtures is highly energy-efficient (7.5 W module produces 350 Lumen). As a result, every lighting fixture conserves energy, helping consumers to save money on their electricity bills and contribute to preserving the environment. For home lighting that's energy-efficient and provides great light in a range of contemporary designs, look for Philips LED products.

The perfect beam angle

The perfect beam angle for spot lighting (40°)

Warm white light effect

Light up your home with warm white light effects thanks to the latest LED innovation. Philips introduces the latest generation of high-power LEDs, providing a warm white light reaching a colour temperature of 2700 Kelvin. This innovation brings the Philips lighting fixtures to the next level, allowing you to combine elegance and ambience creation with light and energy efficiency.

5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.

Specifications

Design and finishing
- Material: aluminium
- Colour: black

Extra feature/accessory incl.
- 5-year warranty

Product dimensions and weight
- Height: 49.5 cm
- Length: 20 cm
- Width: 48.7 cm
- Net weight: 2.470 kg

Technical specifications
- Mains power: Range 220 V–240 V, 50-60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 1
- Wattage bulb included: 7.5 W
- Light colour: warm white
- Total lumen output fixture: 290 lm
- Fixture dimmable: No
- LED
- Built-in LED
- Lifetime up to: 2000 hrs
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: II - double insulated
- Light source equivalent to traditional bulb of: 56 W

Service
- Warranty: 5 year(s)

Packaging dimensions and weight
- Height: 72.9 cm
- Length: 26.7 cm
- Width: 21.1 cm
- Weight: 2.657 kg

Miscellaneous
- Especially designed for: Home office and Study
- Type: Table lamp

Issue date 2018-10-09

Version: 4.0.2

12 NC: 9150 030 26301
EAN: 87 17943 76278 1
