Highlights

Access to all controls
The openings on this case allow convenient access to all controls and dock connector, so you can use your device while it's protected inside the case.

Built-in desktop stand
The integrated desktop stand on the back of the case allows convenient, hands-free video viewing on any flat surface.

Total access to iPhone
The openings on this case allow total access to all iPhone controls, dock connector and camera, so you can fully utilize iPhone while it's protected inside the case.

Matte, soft-touch finish
For an added sense of security, this case features a matte, soft-touch finish that adds a tactile layer to your device, which may otherwise feel slippery in your hand.

Quick and easy to dock

This case features a removable bottom section that allows you to quickly and easily dock your device while it remains protected in the rest of the case.

Hard-shell polycarbonate case
This hard-shell case is made out of highly durable polycarbonate, so it provides strong protection for your device.

Protection in a snap
This case is made from a durable material that is custom made to fit your device perfectly. The case is quick and easy to put on, and adds a layer of protection to your device.
