Highlights

White light for motorcycle

CrystalVision ultra moto is a unique halogen lamp that offers a bright white light. High-tech and efficient to differentiate and personalise your motorcycle, with better visibility and comfort.

High-quality quartz glass

UV-Quartz glass is stronger than hard glass and highly resistant to temperature extremes and vibrations, which eliminates the risk of explosion. So Philips quartz-glass lamps (filament 2 650ºC and glass 800ºC) are able to withstand severe thermal shock. With the capability of increased pressure inside the lamp, UV-quartz glass is able to produce a more powerful light. And more powerful light means an enhanced driving experience, however dark the road in front of you.

ECE homologation

Philips automotive products and services are considered best-in-class in the Original Equipment Manufacturer market and the aftermarket. Manufactured from high quality materials and tested to the highest specifications, our products are designed to maximise the safety and comfort of our customers' driving experience. Our entire product range is thoroughly tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000) to the highest ECE requirements. Put simply, this is quality you can trust.

Manufacturers' choice

For over 100 years, Philips bulbs have been at the forefront of the automotive lighting industry, introducing technological innovations that have become standard in modern vehicles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting.

Product description

Application: High beam, Low beam
Base: PX43t
Designation: 12636BVBW
ECE certification
Range: CrystalVision ultra Moto
Technology: Halogen
Type: HS1

Light characteristics

Color temperature: Up to 3700 K

Electrical characteristics

Wattage: 60/55 W
Voltage: 12 V

Ordering information

Order entry: 12636BVBW
Ordering code: 78195630

Packaging Data

EAN1: 8711500781956
EAN3: 8711500781963
Packaging type: BW

Packed product information

Pack Quantity: 1
MOQ (for professionals): 10
Length [cm]: 9.5
Width [cm]: 4.9
Height [cm]: 12.9
Net weight per piece [g]: 22.5
Gross weight per piece [g]: 22.7

Outer pack information

Length [cm]: 25.5
Width [cm]: 19
Height [cm]: 13
Gross weight per piece [kg]: 0.497
