LED

57983/48/16

The smart combination of light and design

This tiny recessed Philips spot light packs a truly titanic punch from a swivel-mounted LED. Small enough to place wherever you like, yet with enough power to illuminate, it's an elegant solution that will work well wherever you place it.

Advanced LED light
- High light output
- Fabulous flexibility
- Warm white light effect
- Dimmable

Sleek designed recessed spots
- Sleek and discreet designs
- Premium material, built to last

Sustainable light solutions
- Extremely long life
- Saves up to 80% energy
- Philips offers a 5-year warranty on the LED module and driver

PHILIPS

Recessed spot light
Talitha aluminium, LED

579834816

Highlights

High light output
High-quality light with strong light output. The light shines at a beam angle of 40° - the perfect angle for spot lighting.

Dimmable

Adjustable light intensity with dimmer switch.This makes Philips SmartSpot lighting fixtures ideal for highlighting a feature or creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room or offering functional light in corridors for example.

Extremely long life

Extreme long-life with reliable performance. Philips SmartSpot lighting fixtures are based on high power LED lights that last up to 20,000 hours, while providing their best light output.

Fabulous flexibility

Philips SmartSpot is an advanced light source that puts you in full control of your home lighting. Many pieces rotate freely, allowing you to direct the light to where you need it most.

Premium material

Philips SmartSpot lighting fixtures are constructed from high quality materials like die-cast aluminium.

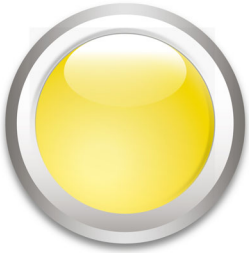

Saves up to 80% energy

Every Philips SmartSpot lighting fixture conserves energy, helping you to save money on your electricity bills and do your bit for the environment.

Sleek and discreet designs
These modern lamps with recessed styles are sleek and discreet, and fit perfectly into ceilings with no jutting edges or awkward shapes to distract from the décor of your room.

Warm white light effect

Philips SmartSpot LED uses the very latest LED lighting technology with the new warm white state-of-the-art high power LEDs providing a beam of light with a colour temperature of 2700 Kelvin.

5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.
