Highlights

Dimmable

Adjust the light intensity of the Philips LED lights with a dimmer switch (not included). This makes this light ideal for creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room. Philips tested a number of wall dimmers that have proved to be compliant with our LED lights. A list of compatible dimmers is available in the downloads and support section.

Extremely long operating life

A light source you can trust. Philips LED lights offer an extremely long life of at least 20.000 hours (which equals 20 years on basis of an average use of 3 hours a day with an amount of at least of 13.000 on/off switching cycles). With the Philips LED lights you won't have to worry about maintenance or lamp replacement while having the perfect light ambience in your home.

High Power LED

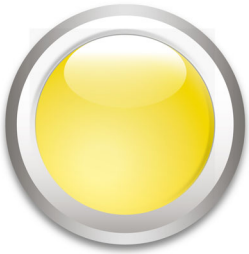

The LED module of this lamp is a uniquely developed solution by Philips, combining 3 LEDs in a synthetic and aluminium housing. This technique enables an optimal light output and a 100% uniform light colour.

Saves up to 80% energy

The LED lighting technology used in Philips lighting fixtures is highly energy-efficient (7.5 W module produces 350 Lumen). As a result, every lighting fixture conserves energy, helping consumers to save money on their electricity bills and contribute to preserving the environment. For home lighting that's energy-efficient and provides great light in a range of contemporary designs, look for Philips LED products.

Warm white light effect

Light up your home with warm white light effects thanks to the latest LED innovation. Philips introduces the latest generation of high-power LEDs, providing a warm white light reaching a colour temperature of 2700 Kelvin. This innovation brings the Philips lighting fixtures to the next level, allowing you to combine elegance and ambience creation with light and energy efficiency.

Specifications

Design and finishing
- Material: aluminium
- Colour: grey

Extra feature/accessory incl.
- Dimmable
- LED integrated
- High quality material

Product dimensions and weight
- Height: 5.5 cm
- Length: 21.2 cm
- Width: 21.2 cm
- Net weight: 1.570 kg

Technical specifications
- Mains power: Range 220 V–240 V, 50-60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 4
- Wattage bulb included: 6 W
- Light colour: warm white
- Lamp lifetime up to: 20,000 hrs
- Beam angle: 35°
- Total lumen output fixture: 1170 lm
- Fixture dimmable
- LED
- Built-in LED
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: I - earthed
- Light source equivalent to traditional bulb of: 56 W

Service
- Warranty: 2 year(s)

Packaging dimensions and weight
- Height: 23.4 cm
- Length: 22.8 cm
- Width: 7.1 cm
- Weight: 1.840 kg

Miscellaneous
- Especially designed for: Living Room and Bedroom, Kitchen
- Style: Modern
- Type: Ceiling light

Issue date 2018-03-18

Version: 4.0.1

12 NC: 9150 024 67301
