Highlights

Direct the light as you like

This Philips myLiving spot light puts you in full control of your home lighting. The flexible spot heads rotate freely in any direction, allowing you to direct the light where you need it most.

For any room in your interior

Fully functional and at the same time very elegant, this Philips spot light will bring a decorative touch to any room in your home.

Natural and recognisable forms

Soft transitions and curved lines define the timeless look of myLiving by Philips. Practical and elegant, myLiving spot lights are unobtrusive and blend perfectly into any contemporary interior.

Timeless materials

The use of metal and glass gives a neutral and elegant look to your home. Solid, uncomplicated materials appeal to every contemporary mind.

Diffused warm white light

This light uses the latest energy-saver lamp technology by Philips to provide a flood of warm white natural light. Its diffused light will illuminate your room with warm white light, allowing you to combine functionality and respect for the environment. Diffused light is perfect for general illumination.

Energy saving

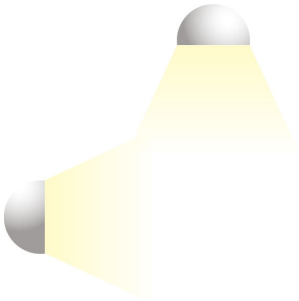

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Chrome

Bringing brilliance to any interior, chrome has a metallic silver look with a mirror effect.

Wall and ceiling installation

Install this lamp as a wall light or ceiling light, just the way you like it.
