Highlights

Safe LED technology

These Philips candles are cool to touch thanks to the use of LED technology. You can create the perfect ambience without the risk of open flames, hot wax or smoke.

Natural, warm candle light

These candles provide a warm, white light with a gentle, natural glowing effect. The light effect is so similar to real candles that it's hard to tell the difference.

Easy to recharge

Simply charge the LED candle lights using the induction charger.

Freedom of placement

Thanks to the integrated battery, Philips LED candle lights will operate without the hassle of wires once they are charged. You can place them everywhere from a table to a small corner or even on a bookshelf.

Inside tealight is removable

Inside tea light is removable to fit into any existing tea light holder.

IP44 — Weatherproof

These LED candle lights are also suitable for outdoor use thanks to IP44. Bring a touch of ambience to your garden!

Real glass candle holders

These candles come with real glass holders. Thanks to the timeless design, they easily fit any interior.

Easy to switch on and off

By tilting the LED candle light you can switch it on and off. Surprisingly easy and funny.
