PHILIPS

Highlights

Accent lighting

This Philips spot light has the perfect light beam for accent lighting. With bundled light you can emphasise any detail or feature in your interior.

Direct the light as you like

This Philips myLiving spot light puts you in full control of your home lighting. The flexible spot heads rotate freely in any direction, allowing you to direct the light where you need it most.

For any room in your interior

Fully functional and at the same time very elegant, this Philips spot light will bring a decorative touch to any room in your home.

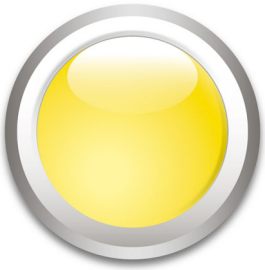

Natural and recognisable forms

Soft transitions and curved lines define the timeless look of myLiving by Philips. Practical and elegant, myLiving spot lights are unobtrusive and blend perfectly into any contemporary interior.

Timeless materials

The use of metal and glass gives a neutral and elegant look to your home. Solid, uncomplicated materials appeal to every contemporary mind.

Brilliant high-quality light

Philips eco halogen lamps offer brilliant light to highlight features or create a nice ambience in your room while saving energy compared to traditional halogen lamps.

Adjustable light intensity

Adjust the light intensity of this Philips light with a dimmer switch (not included).This makes the light ideal for highlighting a feature or creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room.

Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Frosted glass

Frosted glass combines a matt white look with the elegance of glass material, blending perfectly in any interior.
