PHILIPS
sense and simplicity

Highlights

Energy efficient

Philips Ecomoods outdoor is a range of affordable outdoor lighting products for the garden that combines contemporary designs with the latest energy efficient technology. It saves up to 80% energy compared to traditional light sources. The result is as good for the planet as it keeps the money in your pocket where it belongs, year after year.

Eye for detail

Each piece is constructed from high quality components and hard-wearing materials like die-cast aluminium and stainless steel.

High quality material

Built to last. Every piece in the Philips Ecomoods outdoor lighting collection uses high quality materials and components to resist to outdoor conditions.

Designed for outdoor use

IP44 protection means it's designed for outdoor use, so you can be sure Ecomoods outdoor lights will brighten up your garden come rain, shine or snow.

Ambiance creation with light

This stylish lamp offers adaptable light effects to create multiple ambiances when needed, from white light to coloured light (by using the 5 colour filters included). Create an enchanting light in your outdoor space.

On/off switch

To simply control your light, an on/off switch is positioned on the top of the lamp head.

Original outdoor lamp

Original outdoor lamp, for an enchanting light effect at night.

Portable and flexible light

Portable, freely place the lamp where you need it (in total 5 meter cable).

Stylish and original

Whether for a meal or drinks with friends and family, games with the kids, or relaxing with a good book, a garden or a terrace is an extra living space to enjoy. These very distinctive and original outdoor lamps will be the perfect companion of your summer evenings.

Ultra long bulb life

Philips bulb included with an ultra long bulb life, up to 20.000 hours.
