Great for daily use

- 300 hr. standby and 5 hr. talk time
- Mic integrated
- Micro USB charging cable is included

PHILIPS

Features

Bluetooth HSP/HFP compliant

Bluetooth is a cable replacement technology. Bluetooth is a global standard, so Bluetooth devices of different manufacturers can interoperate using shared Bluetooth profiles. HSP (Handset Profile) and HFP (Handsfree Profile) are the profiles required for typical Bluetooth headset operations. If your mobile phone is compliant to HSP or HFP (like virtually any Bluetooth enabled phone) this headset will work with it. The Bluetooth word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Koninklijke Philips Electronics N.V. is under license.

300 hr. standby and 5 hr. talk

Bluetooth® Stereo

BT v 4.1

Mic integrated
