- IP 44, designed for outdoor use

PHILIPS

Features

High power LED

Philips Ledino outdoor lighting uses the latest state-of-the-art LED technology. It offers strong light output and high light quality and long lifetime.

Extremely long operating life

A light source you can trust. Philips LED lights offer an extremely long-life of at least 20.000 hours (which equals 20 years on basis of an average use of 3 hours / day with an amount of at least of 13.000 on/off switching cycles). With the Philips LED lights you won't have to worry about maintenance or lamp replacement while having the perfect light ambiance in your home.

Direct the light

To direct the light where you need it most, simply flip the swivel-mounted disc up, down or to the sides. A very convenient and playful outdoor light for you.

Directed light

With a beam angle of 40°, these outdoor lights are ideal to light up pathways, door entrances, etc thanks to their powerful beams of light.

Modern outdoor lighting

Impressive, bold and minimalist outdoor lighting by Philips. Ledino outdoor's elegant modern style is the perfect way to grace gardens, pathways and outdoor spaces with light.

Dimmable

Adjust the light intensity of the Philips LED lights with a dimmer switch (not included). This makes this light ideal for creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room. Philips tested a number of wall dimmers that have proved to be compliant with our LED lights. A list of compatible dimmers is available in the downloads and support section.

Elegant materials

Ledino outdoor lighting uses high quality and resistant materials - aluminum, stainless steel - perfectly suited to last beautifully years after years.

Full choice of applications

Philips Ledino outdoor lighting offers several applications to cover broad lighting needs : Wall, pedestal, ground spots, recessed spots.

Designed for outdoor use

IP44 protection means this light is designed for outdoor use, so you can be sure that Philips Ledino outdoor lighting will brighten up your garden come rain, shine or snow. And it uses best in class Philips power LED technology that's very easy to maintain, plus extremely long lasting.

Saves up to 80% energy

The LED lighting technology used in Philips lighting fixtures is highly energy-efficient (7.5 W module produces 350 Lumen). As a result, every lighting fixture conserves energy, helping consumers to save money on their electricity bills and contribute to preserving the environment. For home lighting that's energy-efficient and provides great light in a range of contemporary designs, look for Philips LED products.

5 year warranty on LED system

On top of the standard 2 year warranty for this lamp, Philips offers 5 year warranty on the LED system, meaning the LED module and the driver in this lamp.
