

Philips BlueVision ultra
Xenon car headlight bulb

- D2S
- 85 V
- 35 W

85122BVUC1

Drive with style

Maximum blue effect (up to 6000 K)

Philips has created the Xenon BlueVision ultra for drivers looking for maximum style and ultimate brightness. It produces an ultra-stylish and distinctive blue effect (up to 6000 K) while delivering an ultra-powerful light.

Benefits

Distinctive cool bluish light - up to 6000 K
- Colour temperature up to 6000 K for ultimate brightness
- Ultimate stylish blue effect

Xenon quality and ultra-resistant car bulb
- Philips is the inventor of Xenon HID technology
- Philips car lamps are highly UV resistant
- Philips car lamps are made of high-quality quartz glass
- Philips car lamps are highly resistant to humidity

Original Equipment manufacturer
- Philips is the choice of all major car manufacturers
- Complying with the high quality standards of ECE homologation
- Award-winning car lamp manufacturer

PHILIPS

Features

Car manufacturers' choice

For 100 years, Philips has been at the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting

ECE homologation

Philips Automotive is dedicated to producing best-in-class products and services in the Original Equipment Manufacturer market as well as in the aftermarket. Our products are manufactured from high-quality materials and tested to the highest specifications to maximise the safety and driving comfort of our customers. Our entire production is meticulously tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000) to the highest ECE requirements

Award-winning car lamps

Our lamps are often rewarded by automotive experts

Distinctive blue effect

Thanks to a colour temperature of 6000 K Xenon BlueVision ultra provides the most demanding drivers with a distinctive cool bluish light for an ultra powerful lighting on the road.

Maximum style

Xenon BlueVision ultra lamps are designed for drivers looking for maximum style. They deliver distinctive blue effect light in your car headlamps.

Original Xenon technology

Xenon HID (High Intensity Discharge) lamps offer twice as much light for safer driving in all conditions. As a matter of fact, the intense white light produced by the Xenon HID lamps is comparable to daylight. Studies have demonstrated that xenon automotive lighting helps drivers to concentrate on the road and to distinguish obstacles and road signs much faster than traditional lamps.

UV Resistant

Philips special anti-UV coating technology protects the headlights against harmful ultraviolet radiation, making Philips UV-coated quartz glass perfect for all driving conditions and ensuring their longevity

High-quality quartz glass

UV-Quartz glass is stronger than hard glass and highly resistant to temperature extremes and vibrations, which eliminates the risk of explosion. Philips quartz-glass lamps are able to withstand severe thermal shock. With the capability of increased pressure inside the lamp, UV-quartz glass is able to produce a more powerful light.

Resistance to humidity

Only a burning bulb made of quartz glass can resist thermal shocks, such as a drop of cold water touching the hot bulb, which can happen when you drive through water with a broken headlight unit.

Specifications

Packaging Data

Packaging type	C1
EAN1	8727900365450
EAN3	8727900365474

Electrical characteristics

Voltage	85 V
Wattage	35 W

BlueVision ultra

Lifetime

Life time	2500h

Light characteristics

Colour temperature	5000 K
Lumens	3200 ±450 lm

Ordering information

Order entry	85122BVUC1
Ordering code	36545033

Outer pack information

Height	5.7 cm
Length	11.1 cm
Width	9.6 cm
Gross weight per piece	0.094 kg

Product description

Type	D2S
Application	High beam Low beam
Designation	D2S BlueVision ultra
Homologation ECE	YES
Range	BlueVision Ultra
Technology	Xenon
Base	P32d-2

Packed product information

Gross weight per piece	45 g
Height	9.3 cm
Length	5.4 cm
Net weight per piece	17.94 g
Pack Quantity / MOQ	2
Width	5.4 cm

Marketing specifications

Expected benefits	Style
Product highlight	Maximum blue effect up to 6000 K
