- Easy storage hook for convenient storage

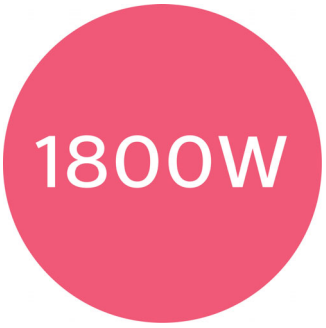
PHILIPS

Hairdryer
1800W ThermoProtect setting

BHC020/05

Highlights

1800W for fast drying



This 1800W hairdryer creates high airflow and drying power, for beautiful and salon like results every day.

Easy storage hook

A rubberized hook can be found on the base of the handle. Use to store easily at home or if staying at a hotel.

20 mm concentrator

The opening of the 20mm nozzle concentrates the flow of air to specific areas. Use for focused styling together with the dryer and a brush.

ThermoProtect temperature

The ThermoProtect temperature setting with the constant airflow temperature allows you to quickly dry your hair without overheating, maintaining your hair¡¯s natural moisture level, for shiny healthy looking hair.

6 heat/speed settings

Dryer: 6 heat/speed setting for full flexibility
