Giving light a new experience

with this LED design lamp

This striking white Philips Ledino wall spot light makes a sleek statement of style. It casts powerful warm white LED light and rotates in any direction, ideal for bedside lighting. Dim the light for a stunning ambiance.

Benefits

Elegant design meets innovative technology

- Fusion between light and design

High quality light

- High Power LED
- Warm white light

Sustainable light solutions

- Extremely long operating life
- Saves up to 80% energy

Special characteristics

- Rotates freely in any direction

PHILIPS

Features

High Power LED

The LED module of this lamp is a uniquely developed solution by Philips combining 3 LEDs in a synthetic and aluminium housing. This technique enables an optimal light output and a 100% uniform light colour.

Light and design

This design lamp has light with a minimalist essence that defies traditional boundaries, creating light and lightforms of inspiring purity and beauty.

Warm white light

This light uses the very latest lighting technology by Philips with the new warm white state-of-the-art high power LEDs providing a glow of light with a colour temperature of 2700 Kelvin.

Extremely long operating life

A light source you can trust. Philips LED lights offer an extremely long-life of at least 20.000 hours (which equals 20 years on basis of an average use of 3 hours / day with an amount of at least of 13.000 on/off switching cycles). With the Philips LED lights you won't have to worry about maintenance or lamp replacement while having the perfect light ambiance in your home.

Saves up to 80% energy

The LED lighting technology used in Philips lighting fixtures is highly energy-efficient (7.5 W module produces 350 Lumen). As a result, every lighting fixture conserves energy, helping consumers to save money on their electricity bills and contribute to preserving the environment. For home lighting that's energy-efficient and provides great light in a range of contemporary designs, look for Philips LED products.

Rotates freely

You can rotate the lamp head of the Philips lighting fixture in the desired direction and bring light where needed.

Specifications

[field not found 'disclaimer_text']

Design and finishing

Material	metal
Color	aluminium

Extra feature/accessory incl.

LED integrated	YES
Defined light beams	YES
Adjustable spot head	YES

Product dimensions & weight

Height	10.5 cm
Length	22.4 cm
Width	5.5 cm
Net weight	1.150 kg

Technical specifications

Mains power	Range 220 V - 240 V 50-60 Hz
Bulb technology	LED Safety Extra Low Voltage
Number of bulbs	2
Wattage bulb included	4 W
Light color	warm white
Lamp lifetime up to	20,000 hrs
Beam angle	50°
Total lumen output fixture	270 lm
Fixture dimmable	No
LED	Yes
IP code	IP20 protection against objects bigger than 12.5 mm no protection against water
Class of protection	I - earthed
Light source equivalent to traditional bulb of	30 W

Service

Warranty	2 year(s)

Packaging dimensions & weight

Height	23.9 cm
Length	11.1 cm
Width	7.1 cm
Weight	1.260 kg

Miscellaneous

Especially designed for	Living- & Bedroom
Style	Modern
Type	Spot light
