Highlights

Decorative outdoor lighting
Outdoor lighting can improve the look of your garden or outside space, illuminating eye-catching features, lighting pathways with style or creating the perfect ambience for those memorable evenings with friends and family.That's why Philips has created myGarden, a range of beautiful decorative outdoor lighting with the flair and functionality to help you make the most of your outdoor space in your own style.

Choose for heritage style
Designed in Europe, this lamp has a unique design signature to help you create a heritage outdoor look.

Choose for outdoor wall lights
Make the most of your outdoor space with this wall light, perfect to mount close to your front door or on your terrace walls.

High quality material
This Philips lamp is made specifically for outdoor spaces. It's hard-wearing and built to last, so it will light up your garden night after night. It's constructed from high quality die-cast aluminum and superior synthetics.

Easy to set up
This lamp and the fittings are designed for a straightforward installation with all useful things that you need to get up and running included in the box, like a Torx key and Torx screw.You'll find clear guidance about where you can install the product and relevant information about water-resistant IP ratings.

Weather proof

This Philips outdoor lamp is especially designed for humid outdoor environments and has undergone rigorous tests to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This lamp is designed with IP44: it is protected against splashing water, this product is most common and ideal for general outdoor use.
