

Philips

Recessed spot light

- Syrma
- aluminium
- LED

57993/48/16

The smart combination of light and design

Turn your walls into wonderwalls with this wall spotlight. The neat recessed surround helps the lamp to blend in cleverly, while the powerful beam of Philips LED light creates an elegant path of light in your corridors, stairs or rooms.

Benefits

Advanced LED light

- High light output
- Warm white light effect

Sleek designed recessed spots

- Premium material, built to last
- Sleek and discreet designs

Sustainable light solutions

- Extremely long life
- Saves up to 80% energy

Features

High light output

High-quality light with strong light output. The light shines at a beam angle of 40° - the perfect angle for spot lighting.

Extremely long life

Extreme long-life with reliable performance. Philips SmartSpot lighting fixtures are based on high power LED lights that last up to 20,000 hours, while providing their best light output.

Premium material

Philips SmartSpot lighting fixtures are constructed from high quality materials like die-cast aluminium.

Saves up to 80% energy

Every Philips SmartSpot lighting fixture conserves energy, helping you to save money on your electricity bills and do your bit for the environment.

Sleek and discreet designs

These modern lamps with recessed styles are sleek and discreet, and fit perfectly into ceilings with no jutting edges or awkward shapes to distract from the décor of your room.

Warm white light effect

Philips SmartSpot LED uses the very latest LED lighting technology with the new warm white state-of-the-art high power LEDs providing a beam of light with a colour temperature of 2700 Kelvin.
