HP Notebook 15-da0594na

Quality performance and a long-lasting battery to tackle every day tasks

Designed for long-lasting performance, this stylishly designed HP 39.6 cm (15.6") laptop has a long-lasting battery that keeps you connected, entertained, and productive all day. Speed through tasks, or sit back and socialize – with the latest processors and a rich HD[1] or FHD[2] display. Do it all, all day.

Responsive and reliable performance
A laptop with the power to surf, stream,[4] and do so much more with an Intel processor[3] and graphics options. Plus extensive quality testing ensures that you can keep going...and going.

Sleek. Stylish. Portable.
A sleek and stylish design makes this eye-catching laptop easy to take anywhere. With its beautiful brushed keyboard and color-matched hinge, the smartly designed HP 39.6 cm (15.6") laptop looks as good as it performs.

Stay connected and entertained
Stay connected and entertained for up to 13.15 hours[5] with a long-lasting HP fast charge battery, rich HD[1] or FHD[2] display, and HD camera on select models.[6] Plus, easily store and enjoy your favorite music, movies, and photos with ample storage options.

HP Fast Charge

[1] High-definition (HD) content required to view HD images.
[2] Full high-definition (FHD) content required to view FHD images.
[3] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations.
[4] Internet service required and not included.
[5] Windows 10/ MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See https://bapco.com/products/mobilemark-2014/ for additional details.
[6] Features may require software or other 3rd party applications to provide the described functionality.

HP Notebook 15-da0594na

Featuring

HP Fast Charge
When your laptop is low on power, no one has time to wait hours to recharge. Power down your device and go from 0 to 50% charge in approximately 45 minutes.

SD and Micro SD card reader
Simply insert an SD or Micro SD card and increase your device's storage for more movies, photos, and music, or easily access any content you have stored on an existing card.

Tuned stereo speakers
Through rigorous testing and refinement, HP custom tunes the dual speaker setup in every notebook for exceptional stereo quality.

Choose your color
Personalize your PC with your choice of color, for style that matches yours.

Dropbox cloud storage
Store and synchronize your content online with Dropbox. Get 25GB of storage for one year to access, manage, and share your photos, music, and files from anywhere with Internet access.

McAfee LiveSafe 30-day trial
Protect your operating system with a free 30-day McAfee LiveSafe subscription.

[19] Recharges your battery up to 50% within 45 minutes when the system is off (using "shut down" command). Recommended for use with the HP adapter provided with the laptop, not recommended with a smaller capacity battery charger. After charging has reached 50% capacity, charging speed will return to normal speed. Charging time may vary +/-10% due to System tolerance. Available on select HP Spectre 2-in-1 and HP x2 PC models. See http://store.hp.com for a full list of product features.
