Highlights

Smart water level indication

Fill the water tank easily and precisely with the water level indication.

Drip stop

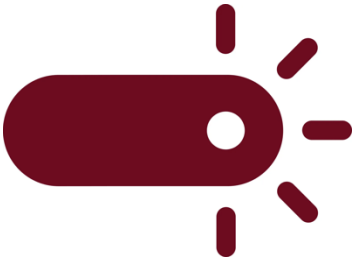

The drip stop allows you to pour a cup of coffee before the full brewing cycle is finished.

1.2 litre capacity

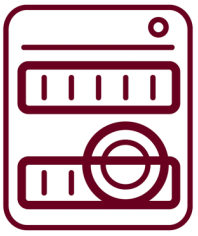

This coffee maker can brew up to 10 (large)/15 (small) cups of coffee, equating to a maximum of 1.2 litres. However, this coffee maker has a compact design and takes up little space in your kitchen.

LED power switch

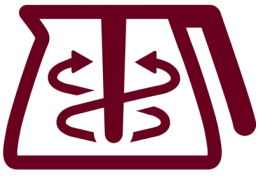

The red light on the switch button illuminates when the coffee maker is switched on.

Dishwasher-safe parts

The jug and filter holder can be easily cleaned in the dishwasher.

Aroma twister

This smart nozzle inside the jug circulates the inflowing coffee evenly through the jug for an optimal and consistent aroma, from the first to the last cup.
