

Philips

Bluetooth stereo headset

- On-ear
- Red

SHB9100RD/00

Pure sound, wired or wireless

With deluxe FloatingCushions

Superior 40-mm Neodymium drivers and digital enhancement ensure the SHB9100 headset's unparalleled sound clarity and rich bass. Deluxe, multi-directional FloatingCushions ear shells further enhance both wired and wireless listening pleasure.

Benefits

Premium sound quality

- Digital enhancement reveals hidden notes and nuances
- 40-mm neodymium drivers deliver a lifelike music soundscape
- Advanced echo and noise reduction for crystal clear calls
- MP3 Codec cuts battery consumption without degrading sound

Longer wearing comfort

- Ultra-comfy, snug-fitting soft memory foam cushions
- FloatingCushions design allows auto-adjustment of ear shells

Fits your life as easily as it fits your ears

- Bluetooth or corded – enjoy music any way you like!
- Handy 0.6m USB cable for easy recharging via your PC
- Bluetooth-enabled wireless music and call control convenience

Works with all Bluetooth-enabled devices

- Supports Bluetooth 3.0 HSP/HFP/A2DP/AVRCP mobile devices
- Pair two Bluetooth devices simultaneously

PHILIPS

Features

Digital enhancement

Booming & superior bass from high-performance drivers and digital enhancement.

40 mm neodymium drivers

Neodymium is a compact but very strong magnetic material. Neodymium produces a strong magnetic field for greater sensitivity in a voice coil, better bass response and a pure balanced sound quality. The 40-mm finely tuned neodymium drivers allow you to enjoy clear, detailed yet natural sound for a lifelike music experience.

Echo and noise reduction

MP3 Codec

Memory foam cushions

Your Philips headset integrates comfy, soft leatherette over-ear cushions that hug the contours of your ears so snugly you'll hardly know they are there! Ideal for heads of every size and shape, this incredibly effective seal is the ideal way to forget outside distractions and immerse yourself in music for hour after enjoyable hour.

FloatingCushions design

An innovative deluxe FloatingCushions design with no C-hinges means it's incredibly quick and easy to carry out a full multi-directional auto-adjustment of the headset to match the contours of your head exactly. The end result is user-friendly ingenuity that ensures optimum stability by evenly distributing itself across your head and ears.

Choice of Bluetooth or corded

Letting you take your pick from not only Bluetooth wireless but also 3.5-mm plug-in musical playback, our new Bluetooth headset really does offer you the best of both worlds! Simply pair up your headset with any Bluetooth-enabled device to enjoy wireless listening pleasure at its crystal-clear best. Alternatively, just plug in the cable to the 3.5-mm jack to enjoy the same deeply enriching immersive listening experience. The choice is yours!

Handy 0.6m USB charging cable

Wireless music and call control

When it comes to endless music listening pleasure and hassle-free switching between music and calls, simply nothing beats Bluetooth! To enjoy your favourite hits, simply pair up your Philips headset with your Bluetooth-enabled smart phone or tablet. A tap on each earshell's intuitive control is all that's then needed to lower volume or pause a song while you handle incoming and outgoing calls.

Bluetooth 3.0

Pair two Bluetooth devices
