Highlights

No bulb included
This lamp comes without a bulb, which enables you to choose the light output that is best suited to the room and your personal taste. Choosing a Philips LED bulb will ensure high-quality and long-lasting light output.

Perfect to relax and socialise
The living room is the heart of any home: a place where families gather to relax and guests socialise. Lighting for your living room and bedroom has to be flexible and easy to adjust to its different uses throughout the day. Careful placement of different light sources and playing with light layering helps create the feeling of space and gives the room a warm and welcoming feel.

High-quality materials
This lamp is sculpted from layered patterns of high-quality materials with superior finishing. This ensures a solid and long lasting product that will enhance your home for many years to come.

Create a stylish atmosphere
This lamp is a beautiful new look at timeless design. The iconic shape is an exquisite blend of past and present. Equally at home in a modern or retro interior, this light leaves you free to combine the classic with the contemporary for a home that looks – and feels – good.
