Highlights

choose from 256 colours

Select your own favourite colour out of the 256 available colours.

Automatic colour changing mode
Just push the on/off button for 5 seconds and let the LivingColors Mini do all the work, showing you the whole range of colours.

light output 70 lumen
With the LivingColors Mini you can have a good impact on ambience thanks to the light output of 70 lumen. Just place the LivingColors Mini wherever you like and point it towards a light-coloured wall to get the full experience.

Easy on product control
By touching and swiping the colour circle, you can very easily select any colour you like.

nice diffused light effect
All the different colours of the Philips LivingColors LED lamp blend naturally into your interior because of the diffused light effect.
