PHILIPS

Spot light
STAR white, LED

562443191

Highlights

Coordinated range

Complete range of coordinated designs available for you to choose.

Freedom of placement

Suitable for both walls and ceilings

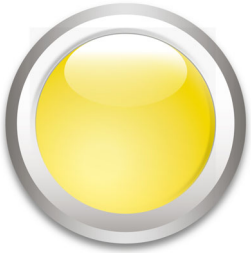
Flexible directional light

This product allows you to adjust the light to any direction that you like.

80% energy saving

Up to 80% energy saving compared to standard incandescent light sources.

Warm white light effect



Light up your home with warm white light effects thanks to the latest LED innovation. Philips introduces the latest generation of warm white light high power LEDs, reaching a colour temperature of 2700 Kelvin. This innovation brings the Philips lighting fixtures to the next level, allowing you to combine elegance and ambience creation with light and energy efficiency.
