Highlights

Lift & Cut blades

The Lift & Cut dual blade system lifts hairs to cut comfortably below skin level.

Dynamic Contour Response

Automatically adjusts to every curve of your face and neck for a smoother shave.

Super Lift & Cut action

The first blade raises each hair while the second blade comfortably cuts below skin level, for really smooth results.

Jet Clean system

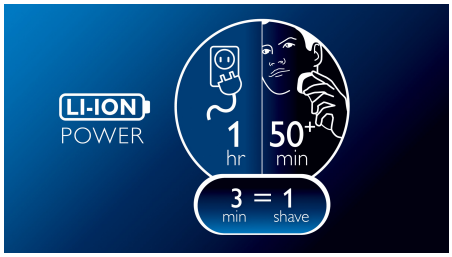

The Jet Clean system keeps your shaver in perfect condition for a superior shave day after day. It thoroughly cleans and lubricates the blades and heads, and also fully charges the shaver in only 1 hour. The pack includes 1 bottle of Jet Clean solution, for up to one month's cleaning. Jet Clean solution is a water-based cleaning fluid that thoroughly cleans and also lubricates the shaving heads - making every shave feel like the first.

Fully washable shaver

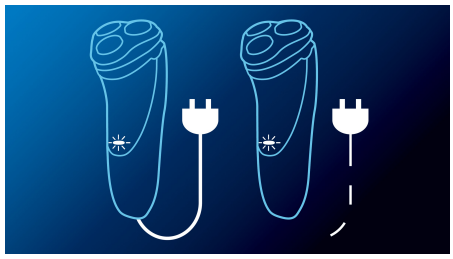

Simply pop the heads open, and rinse thoroughly under the tap.

50+ shaving minutes

An energy-efficient, powerful and long-lasting lithium-ion battery gives you more shaves per charge. Charge it for an hour, and you'll have 50+ minutes of shaving time - that's around 17 shaves. Charge it for 3 minutes and you'll have enough power for one shave.

Efficient power System

Can be used corded and cordless

LED Display

Indicates: Battery full, Battery low, Charging, Replace shaving heads, Quick charge
