- Rated power: 5.5 W

Highlights

Dimmable

Designed to provide quality dimming to create the right ambiance for any activity, from relaxed to active atmospheres.

Bright white light

This bulb has a color temperature of 3000K providing you with a bright, warm light, perfect for creating an inviting ambiance to host friends or wind down with a book.

Perfect for accent lighting

This LED GU10 spot light provides a focused beam of bright light, perfect for creating extra dimension and depth with accent lighting.

Gentle LEDs, easy on the eyes

It's easy to see how harsh lighting can strain the eyes. Too bright, and you get the glare. Too soft and you experience flicker. Now you can gently light up your world with LEDs designed to go easy on the eyes, and create the perfect ambience for your home.
