- 800 g

The healthy way to fry!

With Rapid Air Technology for the perfect results

- With the Airfryer you can fry, grill, roast and even bake
- Manually adjustable time and temperature control
- Healthy frying with Rapid Air technology
- Unique design for delicious and low-fat cooking results
- Easy to clean and creates less smell than normal fryers

*Compared to fresh chips prepared in a conventional Philips fryer.

Highlights

Versatile cooking

Not just great for frying, the innovative Philips Airfryer with Rapid Air technology also lets you grill, bake and even roast your favourite dishes for a one-stop solution for all of your meals.

Time and Temp control

Its integrated timer allows you to pre-set cooking times of up to 30 minutes. The auto-off function includes a "ready" sound indicator. The fully adjustable temperature control allows you to pre-set the best cooking temperature for your food up to 390 Fahrenheit. Enjoy crispy golden-brown fries, snacks, chicken, meat and more, all prepared at the right time and temperature for the best result!

Rapid Air technology

Using Rapid Air technology, the Airfryer circulates hot air around a metal mesh cooking basket, requiring little or no oil as it fries, bakes and grills. The starfish design on the bottom of the Airfryer facilitates air circulation, ensuring your favourite foods cook evenly.

Unique product design

Philips Airfryer's unique design, which combines fast circulating superheated air, starfish design and optimal heating profile, allows you to fry a variety of delicious meals quickly, easily and more healthily without necessarily adding oil.

Dishwasher-safe parts

The removable non-stick coated drawer and the food basket are dishwasher safe for a quick and easy clean up. Philips Airfryer with Rapid Air Technology saves you and your home from the smell of fried oil compared to a regular fryer.

Specifications

Sustainability

Packaging: > 90% recycled materials
User Manual: 100% recycled paper

General specifications

Product features: Automatic shut-off, Cool wall exterior, Cord storage, Dishwasher safe, On/off switch, Ready signal, Temperature control, Non-slip feet
Time control: Up to 30 minutes

Finishing

Material of main body: Plastic

Weight and Dimensions

Weight of product: 7.0 kg
Dimensions of product (L x W x H): 287 x 315 x 384 mm

Service

2-year worldwide guarantee: Yes

Technical specifications

Power: 1425 W
Capacity basket: 28 oz
Cord length: 0.8 m
Voltage: 220 V

Design

Colour: Deep black
