

Philips LED
Spot (Dimmable)

- 6.5 W (30 W)
- GU5.3 cap
- Warm white

8718291653776

Dimmable spot lighting with a focused bright beam

Avoid the hassle of changing spots

This Philips LED spot provides a dimmable, focused bright beam, an exceptionally long life and significant energy savings. This spot is the perfect long-lasting replacement for 30-W spots with a GU5.3 cap.

Benefits

Create a warm atmosphere
- True incandescent-like warm white light (2700 K)
- High colour rendering (CRI > 80) for vivid colours

Easy to enjoy
- Avoid the hassle of constant changing

Sustainable choice
- Very low energy consumption, saving up to 90%
- Lasts up to 20 years

Suitable for spots and general lighting
- 36° halogen light beam

Great dimming performance
- Dimmable

PHILIPS

Features

Warm white light (2700 K)

Light can have different colour temperatures, indicated in units called Kelvin (K). Bulbs with a low Kelvin value produce a warm, cosier light, while those with a higher Kelvin value produce a cool, more energising light.

Avoid the hassle of changing bulbs

The durable alternative to halogen spots, Philips LED spots can be installed and forgotten about, maintaining their beautiful light beam for years and years to come.

High colour rendering (CRI>80)

The colour rendering index (CRI) is used to describe the effect of a light source on colour appearance. Natural outdoor light has a CRI of 100 and is used as the standard of comparison for any other light source. The CRI of Philips LED light bulbs is always higher than 80, close to the sun's value, reflecting colours truly and naturally.

Very low energy consumption

By replacing traditional light bulbs with a Philips LED alternative, you will gain immediate, significant energy savings while contributing to a sustainable planet.

36° halogen light beam

With a familiar focused light output, equal in look and feel to halogen spots, this LED spot is suitable for both accent lighting and general-purpose lighting.

Lasts up to 20 years

With a lifetime of up to 20,000 hours, this Philips LED bulb will ensure your desired atmosphere for up to 20 years.*

Dimmable

Designed to provide quality dimming to create the right ambience for any activity, from relaxed to active atmospheres.

Specifications

Please note that this is a pre-sales leaflet. The contents of this leaflet reflect the best of our knowledge per date and country mentioned above. The contents of this leaflet are subject to change without notice. Philips does not accept any liability as to the contents of this leaflet.

Bulb characteristics

Cap/fitting	GU5.3
Dimmable	Yes
Shape	Spot
Voltage	12 V

Power consumption

Wattage	6.5 W
Wattage equivalent	30 W
Energy efficiency label	A
Power consumption per 1000h	7 kW·h

Light characteristics

Light output	330 lumen
Beam angle	36 degree
Colour	Warm White
Colour temperature	2700 K
Light effect/finish	Warm White
Starting time	0.2 s
Warm-up time to 60% light	Instant full light
Colour consistency	6 SDCM
Rated centre beam intensity	1100 cd

LED

Durability

Number of switch cycles	50,000
Lumen maintenance factor	0.7
Average life (at 3 hrs/ day)	20 year(s)

Bulb dimensions

Height	55 mm
Width	50 mm

Other characteristics

Mercury content	0 mg
Power factor	0.9
Lamp current	690 mA

Rated values

Rated power	6.5 W
Rated luminous flux	330 lm
Rated lifetime	20,000 hour(s)
Rated beam angle	36 degree

* *Based on average usage of 3 hours per day
