# Highlights

### Comfort shaving system

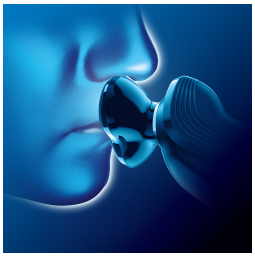

The imported shaving heads give you an ultimate smooth shave that is gentle on the skin.

### 2D contour following

Advanced 2D contour following automatically adjusts to every curve of your face for a smoother shave.

### Designed for precision

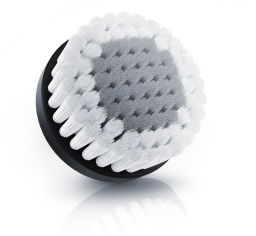

The slim design of the shaver allows you to easily shave even the most difficult to reach areas of your face.

### Oil-control brush head

The rotating brush, that you use in combination with own daily cleansing products, gives longer lasting oil-control effect which contributes a healthy and radiant skin

### Silky Soft Bristles

The silky soft bristles, made of 32000 fibers and each of them is only 50 microns in diameter, are as gentle as your hands, while reaching all uneven and difficult spots.

### SmartClick

SmartClick

Simply click the brush onto you own Philips compatible shaver* and turn it into the ultimate cleansing device.

### Quick 1-hour charge

The powerful battery lasts up to 50 minutes after a 1-hour charge. A 5-minute charge gives you several minutes of running time, so it's always ready when you are.
