PHILIPS

Features

Designed for kids

The LivingColors Micro Planes brings a world of coloured light to your child's bedroom and play area. Specially designed for kids, the LivingColors Micro Planes is sure to create playful moments.

Nice diffused light effect

With the diffused light effect of the LivingColors Micro Planes, the colours blend in naturally and can also create a relaxing atmosphere. Your child can choose his favourite colour to guide him into a night filled with colourful dreams.

Automatic colour changing mode

Just push the on/off button for 5 seconds and let the LivingColors Micro Planes do all the work by showing you the whole range of colours automatically.

Choose from 64 colours

Let their imagination come to life! Your child can select their own favourite colour out of the 64 different colour options.

On-product control

By touching and swiping the colour strip on the product, your child can easily select every colour it likes. So easy and incredibly fun to paint the room with coloured light.
