

Philips PicoPix

Sound Station

- Stereospeaker
- with battery

PPA7300/000

Project your life

Connect to the PicoPix Sound Station to enjoy the power and quality of 2 x 2 Watt stereo speakers. There is an integrated battery for up to 3 hours extra playtime and the Sound Station will charge your PicoPix when connected to mains power.

Benefits

Natural and clear sound

- Premium Stereo Speaker inside for excellent sound

Extended playtime

- Additional battery to last up to 3 more hours

Features

Premium Stereo speaker

Enjoy your videos and music with high quality sound. The built-in 2 x 2 Watt premium speakers offer a great sound experience as well as the convenience of infinitely adjustable volume.

Extended playtime

The PicoPix Sound station comes with a compact built-in rechargeable battery for long-lasting power. Up to 3 additional hours of continuous film, photo and music playback enjoyment can be achieved on a single charge. This makes the PicoPix Sound station the perfect accessory for your pocket projector.
