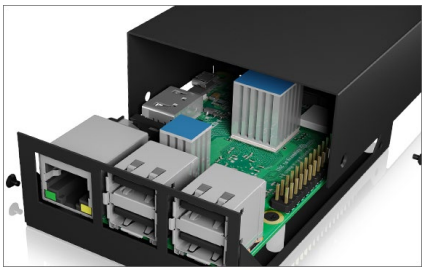
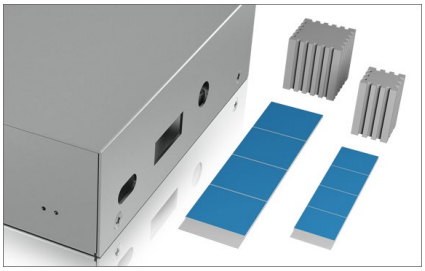
ICY BOX **IB-RP104**
Protective case for Raspberry Pi® 2 and 3



Whatever colour you choose!

The IB-RP104 is made out of high-quality and durable aluminium and the precision-cut casing allows easy access to all available ports of the Pi® - no matter which colour!



Need a cool Breeze?

The included heat sinks kit and the aluminium material of the enclosure cools down the temperature generated from the board and prevents overheating

Another brick at the wall

The wall mount fixation holes at the bottom of the case allow to mount the Raspberry Pi either by fixing it to a VESA® mount using our VESA adapter IB-RPA100, or by fixing it directly to the wall using two screws.
