Product Benefits & Features

Nature's freshness preserved
A stunning meal starts with impeccable ingredients, lovingly sourced and prepared fresh from the earth. Our TwinTech® system ensures your produce is stored at the optimum temperature and humidity levels, meaning fruit and vegetables stay crisp and fresh for longer, ensuring the flavours that nature provided live on in every

Take complete control of the settings at the touch of a finger
This LED display with advanced Touch Controls lets you take full control of the storage conditions of your food. The controls are so sensitive that they can be precisely adjusted with just the lightest touch of a finger, while feedback can be viewed at a glance thanks to the clear LED screen on the

A++ class – 21% more efficient than A+ class, comparing the classes
The EU energy label system independently ranks domestic appliances according to their energy efficiency – and it has awarded this Fridge freezer an A ++ energy label. The difference is clear: for upright freezer the A++ class is 21% more energy efficient than A+ class, comparing the classes.

Bright and even light that shines into every corner of your fridge
LED lights represent the most cutting edge lighting technology, which is why AEG-Electrolux has integrated them inside this fridge freezer. The internal LED lighting produces a brighter light, which shines evenly across the whole space. Plus, LED technology is smaller and more energy efficient, for
