Highlights

400 W motor

400 W

Strong 400 W motor for blending and mixing easily.

ProBlend 4

The newly designed blade will blend and cut the ingredients effectively and make a perfect smoothie for you and your family.

High-quality glass jar

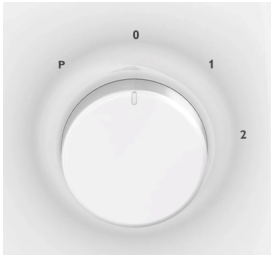

High-quality glass jar prevents scratches and odours. The 1.5 litre jar has a working capacity of 1.25 litres.

New spout design

New spout design will prevent leakage after pouring into the glass.

Multiple speeds

Blend at different speeds and to different degrees with a choice of settings.

Pulse for mixing and blending

You can use "Pulse" mode to control blending degree and time conveniently.

All parts are dishwasher safe

All removable parts can be cleaned in the dishwasher.

Lock indicator

This simple and easily recognisable lock indicator will let you know when the appliance is ready to use safely.

Integrated power cord storage

Save space with the handy cord storage system under the housing of the blender.
