Static Low Frost Integrated Fridge Freezer 144.1 cm A++

SCB5142VLS

Faster, more efficient defrosting
Time is of the essence when you're defrosting your freezer. To help you keep disruption to a minimum, this fridge-freezer comes with efficient LowFrost technology, which makes the defrosting faster and less frequent as ever before. As a result, you can soon start using your appliance at full capacity once more.

Time is of the essence when you're defrosting your freezer. To help you keep disruption to a minimum, this fridge-freezer comes with efficient LowFrost technology, which makes the defrosting faster and less frequent as ever before. As a result, you can soon start using your appliance at full capacity once more.

Product Benefits & Features

A++ class – 21% more efficient than A+ class, comparing the classes
The EU energy label system independently ranks domestic appliances according to their energy efficiency – and it has awarded this Fridge freezer an A ++ energy label. The difference is clear: for upright freezer the A++ class is 21% more energy efficient than A+ class, comparing the classes.

Slide and store – the perfect place in the fridge for storing small items
Keep your small items close to hand. This refrigerator provides optimum storage conditions for small items thanks to a specially designed in-door sliding shelf that hangs from the shelf above. And because the shelf slides both left and right, you still have space to place taller items on the shelf

Intelligent design for simple, effective cleaning
Keeping your fridge clean is an important part of hygienic food storage. The interior of this fridge freezer has rounded corners that are easy to clean and don't trap any dirt or bacteria. You can clean it quickly and effectively, and be confident that you are storing your food in the very best

- 163 litres gross fridge capacity
- 160 litres net fridge capacity
- 3 Full Width glass shelves
- 2 Half Width salad drawers with glass lid
