Integrated Dishwasher with AirDry Technology

FSS63607P

Ultimate tough cleaning. Zone in on spotless
Expect exceptional results with the SprayZone function. The feature has up to three times better cleaning performance compared to standard programmes. It intensively cleans dishes within the dedicated zone, removing even stubborn residue. With no need to soak or pre-rinse.

Expect exceptional results with the SprayZone function. The feature has up to three times better cleaning performance compared to standard programmes. It intensively cleans dishes within the dedicated zone, removing even stubborn residue. With no need to soak or pre-rinse.

Product Benefits & Features

Intensive cleaning. With SprayZone
Experience intensive cleaning with SprayZone. It performs three times better than standard programmes, efficiently cleaning dishes without the need to pre-rinse or soak. Even burnt-on food is eliminated in this dedicated zone. It's an effortless solution to stubborn stains.

Powerful dishwashing. With SatelliteClean®
Experience impeccable dishwashing with SatelliteClean®. This spray arm has three-times better coverage than the standard. Because the double rotating arm constantly changes the angle of the spray. Water reaches every corner. For a complete clean.

Open-door drying with AirDry
AirDry technology delivers up to three times better drying performance when compared to closed-door systems. The door automatically opens at the end of the drying phase and air is circulated inside the machine. Dishes emerge perfectly dry. Every time.

Effortless cycle-setting with QuickSelect
QuickSelect offers optimal control over the dishwasher. Choose the cycle time with the slider and add extra treatments with a tap. Then the machine will do the rest. Get tailored cleaning delivered at a time that suits. And spotless dishes.

At-a-glance check
This dishwasher has a clever way to keep you fully up to date with the status of your dishes. Its beam-on-floor technlogy projects a red light onto the floor while the cycle is still in progress. And when everything is ready to unload, it switches to a green one. Simple, and effective.

- Capacity: 13 place settings
- Sensorlogic
- 4 temperature settings
- 7 programmes including:
- Auto half load
- Multi-tab
- Delay start of up to 24 hours
- Time remaining indicator
- Height adjustable upper basket
- Foldable plate rack
