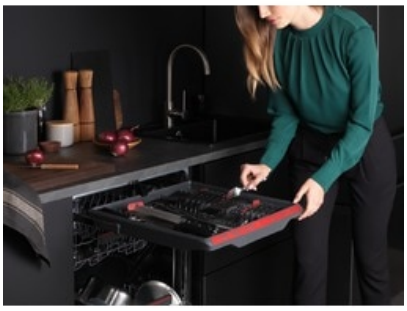
Integrated Dishwasher with AirDry Technology

FSS53907Z



Customisable dishwashing. Efficient cleaning
The MaxiFlex drawer from AEG accommodates almost everything. From multiple cutlery sets to over-sized utensils. Flexible dividers mean every load is customisable. Flatware is kept separate from larger items and added depth increases each cycle's capacity. The ultimate in efficient, convenient cleaning.

Product Benefits & Features

Customisable space and convenient cleaning with MaxiFlex.
Fit everything into the dishwasher with the MaxiFlex drawer. It is engineered to accommodate cutlery and utensils of almost every size. Whether large, or awkwardly-shaped. Flexible dividers and maximised depth mean each load is customisable. Most items are seamlessly loaded and cleaned. In one go.

Powerful dishwashing. With SatelliteClean®
Experience impeccable dishwashing with SatelliteClean®. This spray arm has three-times better coverage than the standard. Because the double rotating arm constantly changes the angle of the spray. Water reaches every corner. For a complete clean.

Effortless cycle-setting with QuickSelect
QuickSelect offers optimal control over the dishwasher. Choose the cycle time with the slider and add extra treatments with a tap. Then the machine will do the rest. Get tailored cleaning delivered at a time that suits. And spotless dishes.

Open-door drying with AirDry
AirDry technology delivers up to three times better drying performance when compared to closed-door systems. The door automatically opens at the end of the drying phase and air is circulated inside the machine. Dishes emerge perfectly dry. Every time.

At-a-glance check
This dishwasher has a clever way to keep you fully up to date with the status of your dishes. Its beam-on-floor technlogy projects a red light onto the floor while the cycle is still in progress. And when everything is ready to unload, it switches to a green one. Simple, and effective.

- Capacity: 14 place settings
- Sensorlogic
- 3 temperature settings
- 7 programmes including:
- Multi-tab
- Delay start of up to 24 hours
- Time remaining indicator
- Height adjustable upper basket
- Foldable plate rack
- Floor beam to update you on wash status
