Wall light

myLiving

33012/17/16

Decorate your home with light

This robust nickel Philips myLiving Gabardine wall light offers solid quality. The uniform, bright light shines both ways while saving more energy than conventional lights.

Sustainable light solutions

- Energy saving
- Warm white light
- Philips bulb always included
- Adjustable light intensity with dimmer switch

PHILIPS

Highlights

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Philips bulb always included

High-quality Philips EcoHalo energy-efficient light bulbs are included in the box for achieving the best light effect.

Dimmable

Adjust the light intensity of this Philips light with a dimmer switch (not included).This makes the light ideal for highlighting a feature or creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room.

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.
