# SurroundCook - Dual Cavity Oven with Catalytic Cleaning

**DUB331110M**

**Expect even, every time**
Achieving even results time after time demands precisely controlled heat, distributed consistently throughout your oven. Unlike standard ovens, the SurroundCook oven's advanced fan technology ensures that every part of your dish is getting exactly the heat it needs.

Achieving even results time after time demands precisely controlled heat, distributed consistently throughout your oven. Unlike standard ovens, the SurroundCook oven's advanced fan technology ensures that every part of your dish is getting exactly the heat it needs.

## Product Benefits & Features

**Heat activated catalytic cleaning**
The catalytic lining absorbs the grease from cooking and is activated by regular heating to 220°C. The grease residue is oxidised leaving the catalytic surface clean.

**A quicker way to toast and crisp**
This highly efficient grill takes less time than traditional ovens, and will toast, crisp or brown your dishes to precision.

**Cooked evenly everywhere**
With this oven, using energy efficiently also means cooking efficiently. It has a new convection system called Hot Air, which ensures hot air circulates evenly throughout the oven cavity. The result is that the oven heats up faster and cooking temperatures can be reduced by up to 20%, saving you

**An at-a-glance overview of the status of your dish**
The timer display provides an at-a-glance overview of the status of your dish. Its clear screen enables you to set an alarm, check directly on the time remaining before your dish is ready and to adjust the timer with accuracy and precision.

**Perfectly bake even the largest batches**
Less isn't always more, especially when it comes to delicious baked goodies. The XL Baking Tray is 20% larger than standard-sized baking trays, enabling you to turn out larger batches of sweet treats, with the satisfaction that every single one has been perfectly baked.

- 45 litre oven capacity
- 40 litre oven capacity
- Isofront® double glazed doors
- Fan controlled defrosting
- 'AA' energy rating for optimum efficiency
- LED digital display
- Top oven features:
- Main oven features:
- Conventional cooking
- Base heat finishing

**Product Specification**

| | |
|---|---|
| Cleaning | Catalytic |
| Cavity coating | Catalytic |
| Dimensions (mm) (HxWxD) | 715x594x568 |
| Dimensions | 720x600x550 |
| Total electricity loading, W | 5300 |
| Voltage | 220-240 |
| Required Fuse | 30 |
| Frequency | 50 |
| Temperature range | 50°C - 275°C |
| Maximum Microwave output (W) | 0 |
| Cavity size | 45 |
| Largest Surface area | 1175 |
| Energy class | A |
| Energy consumption per EU standard cycle | 0.78 |
| ProdPartCode | B - Open All |
| Colour | Stainless Steel |
| Plate | Black Enameled |
