Catch a shining star

The boy-on-the-moon returns for a stint on the Philips myKidsRoom Lunardo table lamp. Our little fairy-tale friend can't help but beam brightly from above. Share his joy with your kids and let their imaginations go wild.

Benefits

Designed for your kids' room

- For kids

Sustainable light solutions

- High quality LED light
- Warm white light
- Energy saving
- Long operating life of up to 15 years

Special characteristics

- On/off switch on cable

PHILIPS

Features

High quality LED light

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

For kids

This Philips child's room lamp creates an environment that encourages children to indulge in what they enjoy most: fun and creativity! But this lamp is also designed to be safe for your child: it is cool to touch and robust, and uses non-toxic paint.

Long operating life

A light source you can trust. The integrated LEDs used in this Philips LED lamp will last up to 15,000 hours (which equals 15 years on the basis of an average use of 3 hours/day with at least 13,000 on/off switching cycles). It feels so good to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambience in your home.

On/off switch on cable

With the switch discreetly integrated into the cable, you can easily switch the lamp on and off.

Specifications

Please note that this is a pre-sales leaflet. The contents of this leaflet reflect the best of our knowledge per date and country mentioned above. The contents of this leaflet are subject to change without notice. Philips does not accept any liability as to the contents of this leaflet.

Design and finishing

Material	wood
Colour	multi colour

Product dimensions and weight

Height	0.1 cm
Length	0.1 cm
Width	0.1 cm
Net weight	1.200 kg

Technical specifications

Mains power	Range 220 V–240 V 50-60 Hz
Bulb technology	LED Safety Extra Low Voltage
Number of bulbs	1
Wattage bulb included	3 W
Light colour	2700K warm white
Lamp lifetime up to	15,000 hrs
Total lumen output fixture	270 lm
Fixture dimmable	No
LED	Yes
Built-in LED	YES
IP code	IP20 protection against objects bigger than 12.5 mm no protection against water
Class of protection	III — safe extra low voltage
Light source equivalent to traditional bulb of	26 W

Service

Warranty	2 year(s)
