Decorate your home with light

This Philips myLiving Cevel ceiling light is made of sleek high-quality glass and is finished with robust aluminium hooks. The light puts out a uniform, diffused light to cover the room.

Sustainable light solutions

- Philips bulb always included
- Energy saving
- Warm white light

Special characteristics

- Suitable for wall and ceiling installation

Highlights

Philips bulb always included

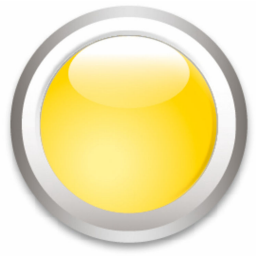

High-quality Philips EcoLamp energy-efficient light lamps are included in the box for achieving the best light effect.

Energy saving

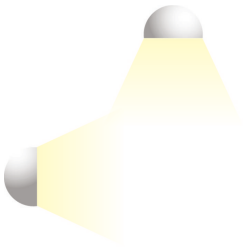

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Wall and ceiling installation

Install this lamp as a wall light or ceiling light, just the way you like it.
