Create your style with light

This Philips InStyle Connex table lamp matches smart looks with smart design. A fully directional arm provides energy-saving LED light from any angle, while the base contains 2 USB charging ports.

Sustainable light solutions

- High quality LED light
- Energy saving
- Warm white light
- Long operating life of up to 20 years

Special characteristics

- On/off switch on article
- Flexible arm
- Moveable lamp head
- Built-in USB port

product design award 2013

PHILIPS

Table lamp
Connex aluminium, LED

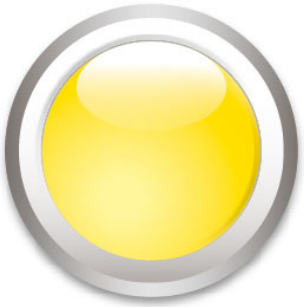

667294816

Highlights

High quality LED light

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Flexible arm

Flexible arm

Long operating life

A light source you can trust. The integrated LEDs used in this Philips LED lamp will last up to 20,000 hours (which equals 20 years on the basis of an average use of 3 hours/day with at least 13,000 on/off switching cycles). It feels so good to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambience in your home.

On/off switch on article

With the button discreetly integrated into the lamp, you can easily switch the light on and off.

Moveable lamp head

Direct the light to where you really need it thanks to the moveable lamp head.

Built-in USB port

For added convenience, this Philips desk lamp comes with built-in USB ports, enabling you to charge your smartphones or other devices while you work.

Specifications

Design and finishing
- Material: aluminium
- Colour: aluminium

Extra feature/accessory incl.
- On/off switch on article
- LED integrated
- USB charging
- Rotates freely in any direction
- Tiltable arm (up-down)
- Power adapter included
- Portable

Product dimensions and weight
- Height: 51.8 cm
- Length: 23 cm
- Width: 76.1 cm
- Net weight: 3.700 kg

Technical specifications
- Mains power: Range 220 V–240 V, 50-60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 1
- Wattage bulb included: 6 W
- Light colour: warm white
- Lamp lifetime up to: 20,000 hrs
- Beam angle: 35°
- Total lumen output fixture: 290 lm
- Fixture dimmable: No
- LED
- Built-in LED
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: III — safe extra low voltage
- Light source equivalent to traditional bulb of: 56 W

Service
- Warranty: 2 year(s)

Packaging dimensions and weight
- Height: 53 cm
- Length: 48.5 cm
- Width: 24.8 cm
- Weight: 5.150 kg

Miscellaneous
- Especially designed for: Home office and Study
- Style: Modern
- Type: Table lamp

Issue date 2014-08-13

Version: 1.1.1
