Highlights

Modern style
The Modern style encapsulates the art of understatement. Simplicity and functionality are key, designs are often stark and minimal. With fewer elements to distract your eyes, modern design quality is reflected by the craftsmanship, intrinsic beauty, and even technology found in the materials used. The spirit behind Modern Design is to challenge the norm, to push the creative boundaries.

Indoor
When decorating your home with light, consider if the area requires general lighting, accent lighting, task lighting, or perhaps all three, to complete the necessary layers of light for comfortable ambience.

Matching pieces
This collection also provides a wide variety of accompanying fixtures in different sizes and finishes making it easy to outfit your entire home.

Dry
UL Listed for Dry locations
