PHILIPS

Philips Replacement Kit

XV1220/01

- 1 x Washable motor filter
- 1 x Washable foam filter
- x 1 Exhaust filter

Replacement kit for Bagless Vacuum 2000 Series*

Original filter replacements from Philips

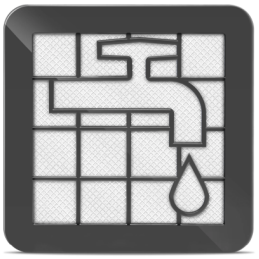
- Exhaust filter
- Washable motor filter
- Washable foam inlay

Highlights

Exhaust filter

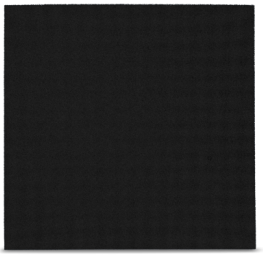
The kit contains 1 x exhaust filter. The filter catches fine dust before the air is expelled back into the room. This results in a clean, dust-free air in your home. The filter should be replaced once a year.

Washable motor filter



The kit contains 1 x washable motor filter. This provides high filtration levels and prevents fine dust from reaching the motor and damaging it. The filter can be washed. It is recommended to replace the filter once a year.

Washable foam inlay



The kit contains x 1 washable foam inlay filter. This filter is providing additional protection to the motor and should be placed next to the washable motor filter. The filter can be washed. It is recommended to replace the filter once a year.

Specifications

Country of Origin
