Highlights

Organic Modern style
Forecast Organic Modern combines clean, contemporary designs with natural textures, colors, and materials. The combination makes for inspired, appealing lighting that works with a wide range of interior themes

Indoor
When decorating your home with light, consider if the area requires general lighting, accent lighting, task lighting, or perhaps all three, to complete the necessary layers of light for comfortable ambience.

Matching pieces
This collection also provides a wide variety of accompanying fixtures in different sizes and finishes making it easy to outfit your entire home.

Dry
UL Listed for Dry locations

Standard incan lamp
This fixture will accept bulbs in a variety of shapes, sizes, and wattages, including high-efficiency screw-in bulbs such as the Philips LED, EcoVantage, and Twister.
