Highlights

Transitional style
A peaceful coexistence of traditional and contemporary finishes, materials and fabrics equate to a classic, timeless design. Styles are simple yet sophisticated, featuring either straight lines or rounded profiles. A lack of ornamentation and decoration keeps the focus on the simplicity and sophistication of the design, offering an aesthetic sense of balance that is pleasing to the eye.

Indoor
When decorating your home with light, consider if the area requires general lighting, accent lighting, task lighting, or perhaps all three, to complete the necessary layers of light for comfortable ambience.

Dry
UL Listed for Dry locations

Saves up to 80% energy

This lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Extremely long operating life

A light source you can trust. Philips LED lights offer an extremely long-life of at least 20.000 hours (which equals 20 years on basis of an average use of 3 hours / day with an amount of at least of 13.000 on/off switching cycles). With the Philips LED lights you won't have to worry about maintenance or lamp replacement while having the perfect light ambiance in your home.
